

Production and sale of medicinal products, medical devices, food supplements and cosmetics.
Purchase and sale of raw materials for the pharmaceutical, food industry and cosmetics.
Contract manufacturing

PRODUCT SPECIFICATION

1. Product 1000900

Amyris oil

2. Product description

Manufacture steam distillation of the wood of Amyris balsamifera L.
CAS / EINECS 90320-49-3 / 291-076-6

3. Characteristics

Property	Method	Spec. Requirements			Unit
		Min		Max	
Appearance (sensorical)		clear viscous Liquid			
Colour (sensorical)		yellow to brownish yellow			
Smell (sensorical)		pleasant woody			
Relative density (20/4)	PV-QK-003	0,944	-	0,964	
Refractive index (at 20 °C)	PV-QK-004	1,494	-	1,514	
Optical rotation (at 20 °C)	PV-QK-005	15,0	-	50,0	°
Chromatographic Profile	PV-QK-007	corresponds			

4. Other

Shelf Life Retest in 3 Year(s)
Storage closed containers, protected from light, < 25 °C

5. Validity

Created HM
Released Dr. Hanspeter Kukuk / LQK-HK
Update no. 03
Valid from 10.02.2017
